PERSONAL PROFILE

Proactive and technically minded professional with a blend of software development, educational, and administrative experience. Proven ability to streamline processes, improve workflows, and implement user- friendly systems. Skilled in full-stack development, cloud solutions, and operations coordination, with strong communication and organizational skills. Adept at problem-solving and learning new technologies quickly. Eager to contribute to company growth and support dynamic teams in development operations.

PROFESSIONAL EXPERIENCE

***Thrive Academy**, Cape Town • Educator* *AUG/2023 - Present*

As a dedicated and experienced educator at a private school, I have developed and implemented innovative teaching strategies to foster academic excellence and holistic development in my students.

- My experience as an educator in a private school included extensive administrative responsibilities, such as managing student portfolios, organizing academic work using Google Drive, and liaising with parents and caretakers through various communication channels.
- My proficiency in tools like Notion, Slack, Around and Google Services, enables me to effectively support organizational objectives while maintaining a high standard of professionalism.
- I excel in curriculum design, classroom management, and cultivating positive relationships with students, parents, and colleagues.
- I excel in coordinating essential processes, including filing and record-keeping, ordering educational materials, and scheduling meetings both online and in person.
- Leveraging over a decade of teaching experience, I have demonstrated a proven ability to adapt to evolving educational trends and technologies, ensuring that my teaching methods remain relevant and impactful.
- My ability to maintain a strong administrative posture stems from my commitment to accuracy, organization, and clear communication.
- I bring a proven ability to manage and streamline operations in dynamic environments.
- Managing reports weekly, quarterly and annually to ensure successful academic progress.

***Skywalk Innovations/Trustlink Africa**, Cape Town • Software Engineer Intern* *JUNE/2022 - SEP/2023*

Improved the company's digital platforms by developing and maintaining websites and enhancing user engagement. This technical expertise led to improved website design and client satisfaction.

- Implemented new features on existing websites for data scraping (Tenders).
- Automated website maintenance tasks, reducing manual workload and increasing overall team productivity.

- I customized and created new features using Angular, TypeScript, Java Spring Boot, and MySQL and worked with cloud services like Amazon Web Services (AWS)
- Collaborated with clients to troubleshoot technical issues and implement user-friendly solutions.

***Cyclonic Media**, Cape Town • Junior Developer (6 Month Contract)* *JAN/2021 - JUNE/2022*

Developed a new and improved website for a client using Node.js, React, and MongoDB, tailored to meet the needs of a growing startup with multiple existing clients.

- Designed and launched a responsive website using React, NodeJS, and MongoDB, reducing page load times by 20%.
- Delivered significant technical improvements, resulting in faster website performance and enhanced client satisfaction.
- Customized WordPress features to meet client-specific requirements, improving project turnaround by 30%.
- Successfully completed the project within the defined scope and timeline, demonstrating adaptability and expertise in full-stack web development.
-

***Bercliff Estates**, Cape Town • Real Estate Agent (Part-time)* *JAN/2020 – DEC/2021*

Managed real estate transactions, built client relationships, and enhanced operational efficiency in a competitive market.

- Facilitated property sales and rentals, achieving sales targets
- Conducted market research and property evaluations, ensuring accurate and competitive pricing strategies.
- Negotiated contracts, communicated with clients, and coordinated with legal teams to streamline processes.
- Provided personalized support to clients, building trust and ensuring seamless property transactions.

***Campus of Performing Arts**, Cape Town • Educator* *APR/2016 - DEC/2021*

Delivered educational instruction while managing administrative responsibilities, including maintaining and organizing student portfolios of evidence.

- Coordinated and facilitated live music events in Cape Town, showcasing student talent and fostering practical learning opportunities.
- Handled key administrative tasks, ensuring seamless operation of academic and extracurricular activities.
- Successfully balanced teaching responsibilities with event organization and administrative management during the completion of undergraduate studies at UCT.
- Manage reports weekly, quarterly and annually to ensure successful academic progress.
